Re: Request for Revision of State Statute 16-331 ff

To Whom It May Concern:

I am writing as the Chairman of the Wolcott Board of Education in support of the Town of Wolcott's request for a revision of State Statute 16-331ff, which would allow the Town of Wolcott community access to education and government access channels and town-specific community access programming.

The change that Mr. Bruce and members of the Video Core Committee is requesting would give the Wolcott Public Schools' Board of Education, students and staff members a chance to inform the Wolcott community about their activities in a timely manner.

We thank you for your consideration of the Town of Wolcott's request.

Sincerely,

Patricia Najarian  
Chairman
